Event

3rd Reunion of Alumni is organized at Lucknow. Alumni Association will celebrate it in a befitting manner. The Organizing Committee is immensely delighted to invite you all for this 3rd Alumni Meet to be held on 8th and 9th November 2025, Let's all catch up on the old times and walk down the memory lane. This Alumni Meet will truly be a great event with meeting old friends and reliving the nostalgia of many enjoyable moments passed during student life as well as during Centenary Celebration in October 2023. It hardly matters that most of us must have grown old having wrinkles on the faces, what matters is the company of old friends, their love and interaction with the fully energized youth. We would certainly want your continued and valued association. The event organized at Lucknow will give you an opportunity to meet and interact with each other at academic, cultural, social and spiritual level. Let us make it memorable.
