Department of Botany

Department of Botany is one of the oldest University Departments of Botany in the country. It came into existence in 1923 with Professor Julian H. Mitter as the founder Head (1919-1941). The Professorial Chair in Subsequent years has been adorned by Eminent Botanists like Professor Shree Ranjan, F.N.I. (1941-1957), Prof. R. K. Saxena, F.N.I. (1957-1959), Prof. R.N. Tandon, F.N.I. (1959-1965), Dr. A.K. Mitra (1965-1966), Prof. D.D. Pant, F.N.A., (1966-1981) and others. Dr. W. Dudgeon, Sri G.D. Srivastava, Dr. S. Naithani, Prof. P. Maheshwari, Prof. K.S. Bilgrami, Prof. M.M. Laloraya were other distinguished Botanists who had been on the staff of the Department. It is known for its multidisciplinary character and has earned international recognition for its standards of teaching and research. Department is proud of having produced eminent scholars and administrators, who have occupied or are occupying high positions within and outside the country. The Department offers teaching in two main courses at post-graduate level viz., Botany and Agricultural Botany with specializations in ten areas of Botany and three areas of Agricultural Botany. The ongoing research programmes emphasize diverse areas of functional, structural, applied and evolutionary botany. The Department has the distinction of being recognised for research work in areas of Palaeobotany and Morphology, Microbiology, Mycology and Pathology, Phycology, Plant Physiology, Plant Taxonomy, Plant Biodiversity, Ecology and Cytogenetics across the world.

Alumni Association of Department of Botany, University of Allahabad

Association is registered as a society under Uttar Pradesh Societies Registration Act, 1860 (Registration No. ALL/08517/2021-2022) with an objective to bring all the alumni of the Department under one vibrant forum to exchange their knowledge and experiences for advancement of the Department and its alumni in the areas of academic, administrative and social welfare. The purpose of the Association is to work for the benefit of the students, meritorious as well as of economically weak section of the society, to work for the betterment of the Department, to conduct different academic activities and to have better interactions among all the alumni.

Event

Reunion of Alumni is organized in Prayagraj to remember their days of student life in Allahabad/ Prayagraj. Our Department of Botany has completed its 100 years. Alumni Association is celebrating it in a befitting manner. Dear Alumni, we would be immensely delighted to invite you all for this first Alumni Meet during the centenary year of our Department between 27th to 29th October, 2023. Let's all catch up on the old times and walk down the memory lane. Alumni Meet will truly be a great event with meeting old friends and reliving the nostalgia of many enjoyable years spent together during education here. All our fights for front bench and competition to be better than the other may not be there now which had evaporated long back in the air but can't stop to bring a smile on face. Happiness and childish behaviour will spontaneously come back with an amazing feeling to be a student once again in a environment of our Alma mater. It hardly matters that most of us must have grown old having wrinkles on the faces, what matters is the company of old friends, their love, and interaction with the fully energized youth. We from inner core of heart wish that celebrations will be very special, enjoyable and full of fun for all of you. We would certainly want your continued and valued association. It's your Department which is calling you. The event will give you an opportunity to meet and interact with each other after so many years. Let's join together to celebrate the journey of 100 years of success of our Department.
